The layout is just perfect. An entrance hall with an adjoining open kitchen, 3 large bright rooms, one bathroom and a separate toilet are spread over a total area of 122 square meters on the 2nd floor of a beautifully renovated building from the 19th century. The two larger rooms are facing the beautiful, renovated square.

The full refurbishment of the flat has just been completed. Only highest quality materials were used. These include hand-made stucco work, inlaid massive oak parquet, Italian designer lightings, a fully equipped high-end kitchen with SMEG appliances, Smart Home features such as intelligent glass, air conditioning, alarm system ...

Shops, restaurants, and public transport are right on the doorstep. The main pedestrian zone, the next Metro station on Vörösmarty tér, the world-famous Café Gerbeaud, the Danube and the Chain Bridge are only a 2-minute walk away.
