DESCRIPTION

Set in the green residential surroundings of Törökvész, this newly built 120.65 sqm garden residence offers generous private outdoor space and its own swimming pool.

The layout comprises an open-plan living, dining and kitchen area, three bedrooms and two bathrooms. The main living space opens directly onto the terrace and the 264 sqm private garden, creating a natural connection between the interior and outdoor areas.

The residence forms part of an intimate development of just nine apartments across two buildings. A heat pump system, underfloor and ceiling heating, and ceiling cooling provide year-round comfort, while a private infrared sauna further complements the property.

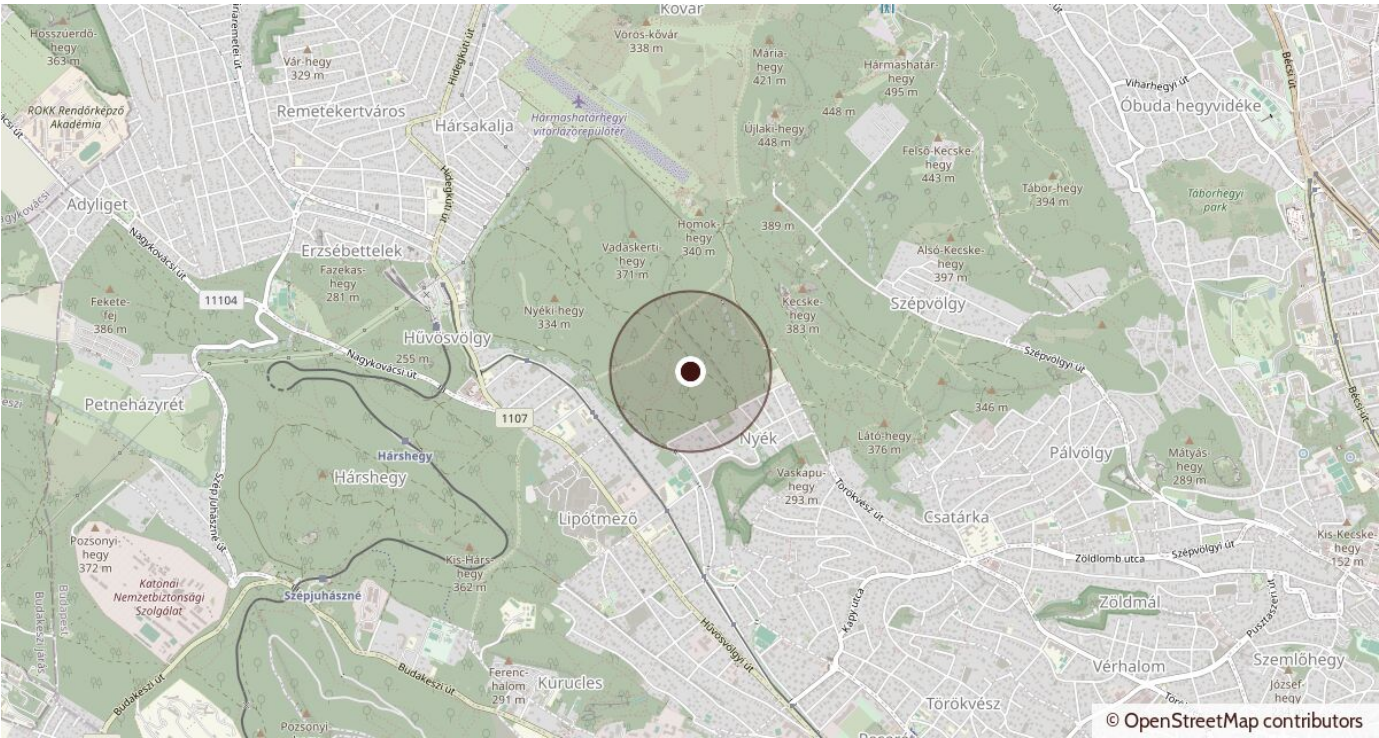

The peaceful setting of Törökvész offers a green residential environment within easy reach of Rózsadomb and central Buda, as well as schools, sports facilities and everyday amenities.
