DESCRIPTION

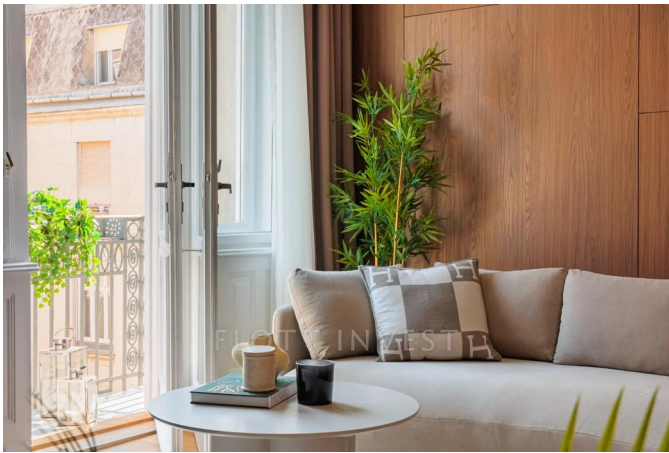

Located in one of the most desirable parts of Budapest’s 5th District, at the corner of Haris köz and Petőfi Sándor Street, this newly renovated residence occupies the top floor of a classic corner building with elevator access.

The two-bedroom apartment features a bright living room, two bathrooms and a separate dressing room, complemented by three private balconies — a rare feature in Budapest’s historic city centre.

The property has been comprehensively renovated with carefully selected materials and a refined, timeless interior. The fully fitted kitchen features Bosch appliances and an integrated wine cooler, while individually controlled air conditioning and electric shutters provide modern comfort throughout.

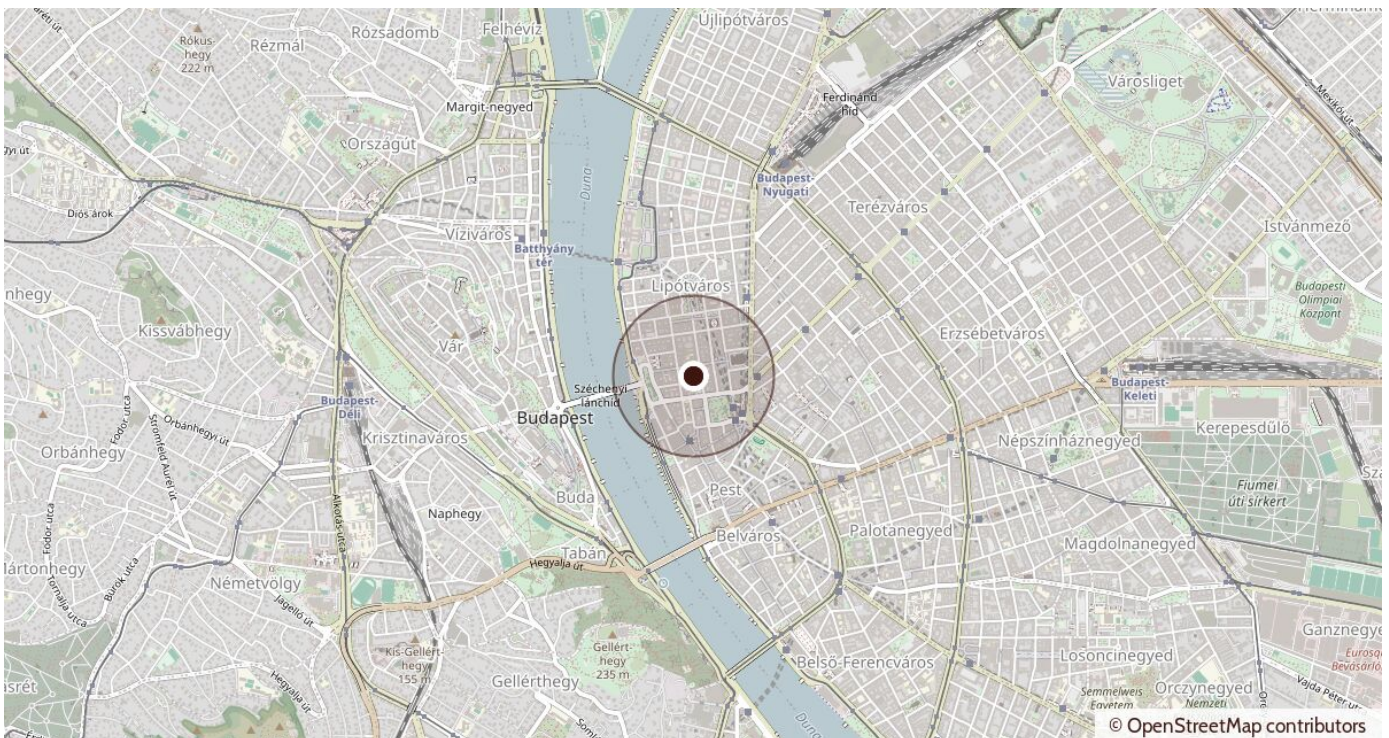

Váci Street and the Danube are only a short walk away, with some of central Budapest’s established restaurants, cafés and cultural landmarks within easy reach.
