DESCRIPTION

Situated in one of Budapest's most distinguished historic districts, M15 Residence is located just moments from Váci Street and the Danube promenade. Originally constructed in the early 1900s, the building underwent a complete structural and technical reconstruction in 2018, combining its historic character with contemporary engineering standards.

The property comprises five full-floor residences and a duplex penthouse occupying the upper levels. Each home enjoys a southern orientation and uninterrupted views across the Danube, providing exceptional natural light throughout the year. A gallery currently occupies the ground floor and offers the flexibility to be adapted into a private gym in the future.

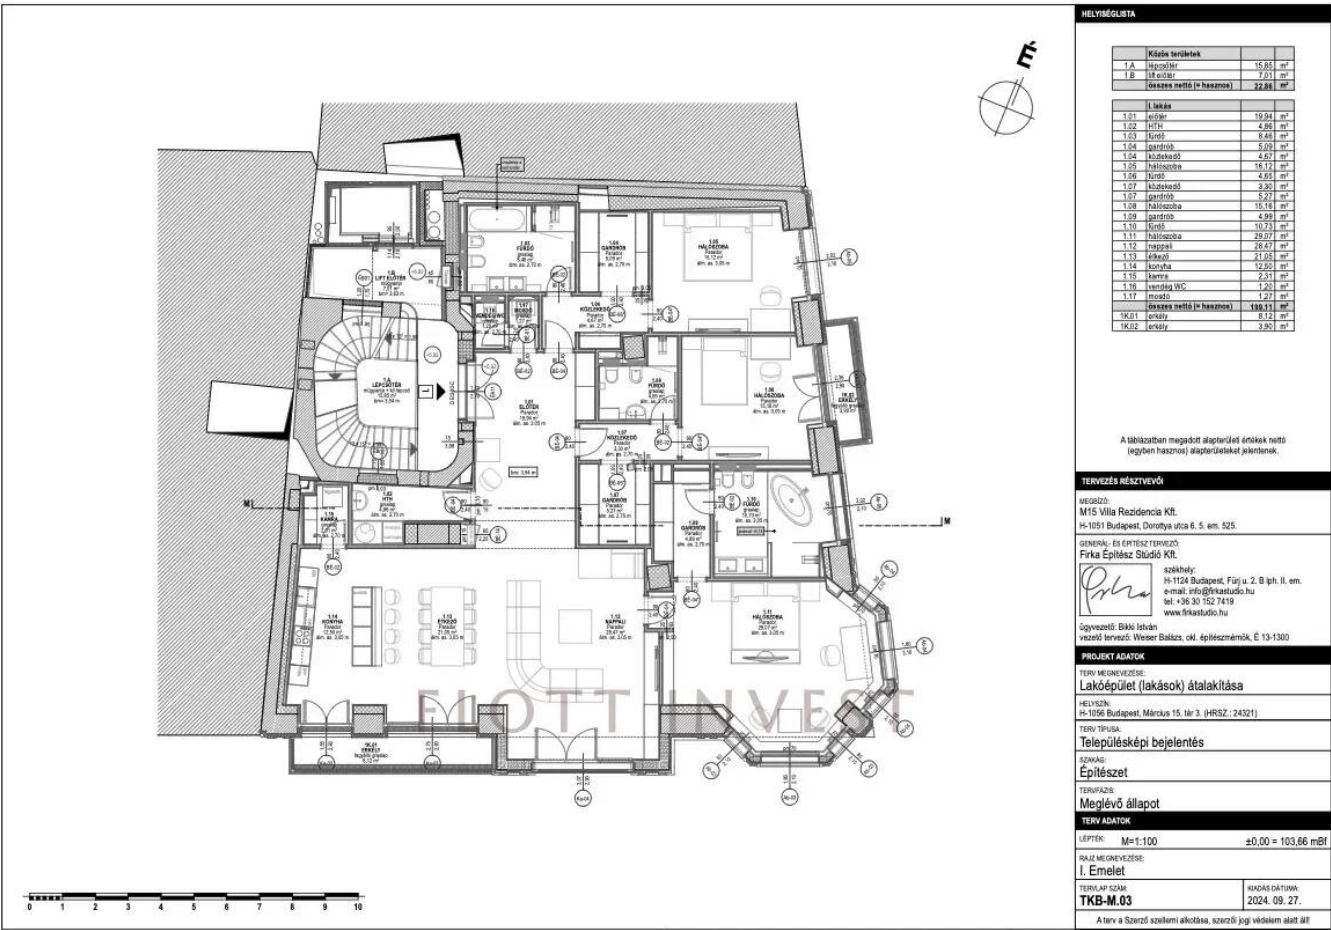

Residence One occupies the entire first floor of the building. Extending across approximately 205 square metres, this three-bedroom residence is offered fully completed and furnished, featuring refined interior design and high-end technical specifications. The property also includes a private storage room and a dedicated garage space.
