DESCRIPTION

Set on a quiet, green, traffic-free street in one of Hidegkút's most desirable areas, this modern family home was completed in 2024 and offers 360 sqm of living space on a 1,100 sqm plot, with beautiful panoramic views.

The property features five comfortable bedrooms and spacious, light-filled living areas. A separate apartment with its own entrance is ideal for multi-generational living or as a private guest suite.

The home's modern mechanical systems include a heat-pump heating and cooling system, providing a high level of comfort and energy efficiency. A rare feature in the area, the garage comfortably accommodates five cars and adds to the property's exclusive appeal.

The French School is nearby, public transport connections are excellent, and everyday amenities are within easy reach.

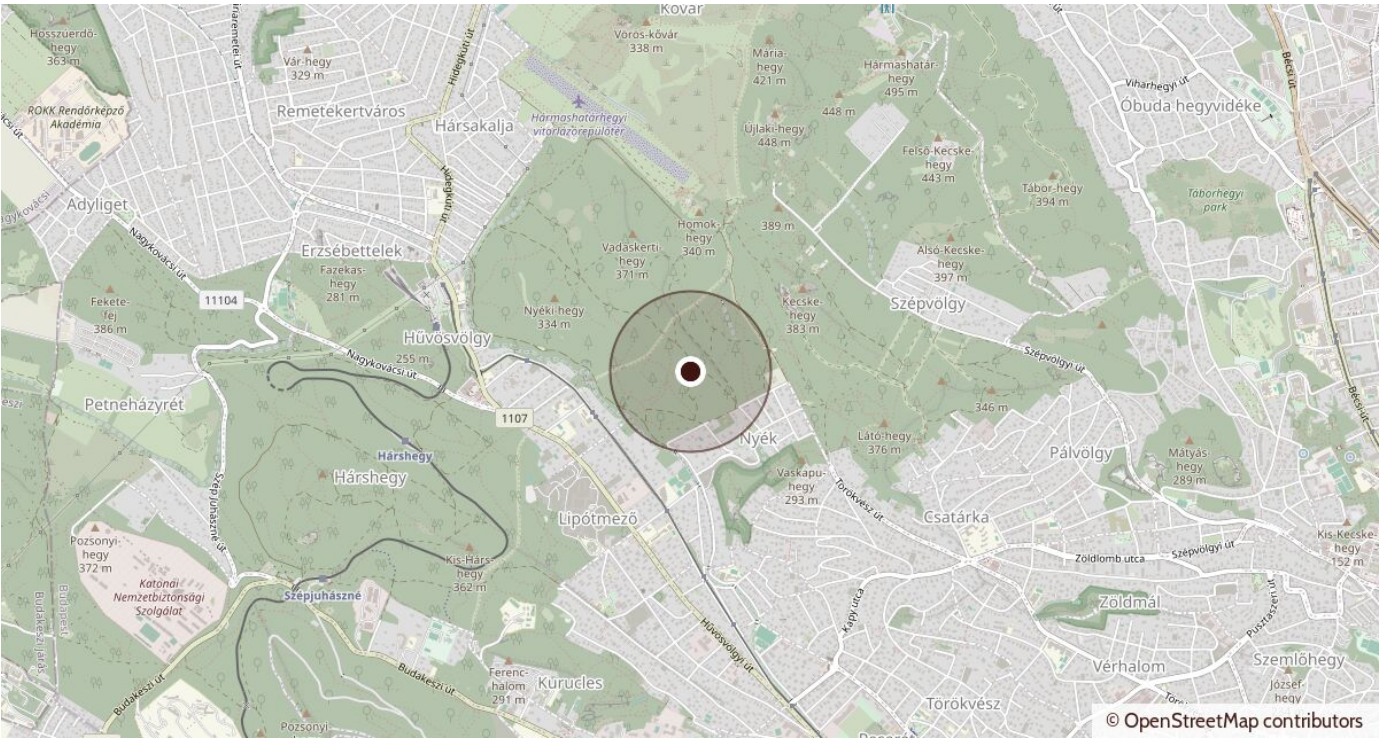

Asking price: HUF 850,000,000

A home that combines tranquillity, modern comfort and prestige for those seeking an exceptional standard of living.
